

6.2.3 Implementation of e-governance in areas of operation

1. Administration

The College manages and directed various portals and specifications of STAMS and its access is restricted only to certain selected departments like Principal, System Administrator, Library

, Exam Department. The Administrator's portal provides access to Admission process, rank list, subject allocation, staff details, time table, attendance, activities of students etc. The Administrator can view and access all the details that are transacted through STAMS.
