The ED Club, in association with IIC and IEDC in celebration of the vibrant and cultural festival of Onam, organized the 'NIRACHARTHU Fabric Painting Competition' on August 18, 2023, from 1:00 PM to 3:00 PM at Vazhappilly Hall.

Objective of the event

The competition aimed to foster creativity and artistic expression among the student community, providing them with an opportunity to showcase their talent.

A total of 25 enthusiastic students participated in this colorful event. Participants were encouraged to express their artistic skills while celebrating the spirit of Onam through their fabric paintings. The theme allowed for a rich variety of colorful and culturally significant artwork. The competition witnessed a diverse range of artistic expressions, with participants incorporating traditional Onam motifs, vibrant floral patterns, and depictions of the cultural significance of the festival in their paintings. The competition acknowledged the outstanding efforts of the participants by awarding prizes to the top artworks.

Winners:

After careful deliberation, the judging panel selected the following winners:

1. First Place: V Megh Harikrishnan
2. Second Place: Athul Krishna P R

Each of the winners received cash prize to recognize their outstanding creativity and talent.

Outcome of the event

The 'NIRACHARTHU Fabric Painting Competition' organized by the ED Club was a resounding success in celebrating the essence of Onam through art and creativity. The competition not only provided a platform for students to express their artistic talents but also promoted cultural awareness and appreciation. ED Club faculty coordinators Assistant Professor

Programme: **Photography Nature Camp to Chimmini Wildlife Sanctuary**

Dates: December 7-12, 2023

Organizer: Department of Media Studies, St. Thomas College (Autonomous)

Location: Chimmini Wildlife Sanctuary, Thrissur, Kerala, India

Introduction:

The Department of Media Studies at St. Thomas College (Autonomous) organized a five-day photography nature camp to Chimmini Wildlife Sanctuary from December 7th to 12th, 2023. The camp aimed to provide students with an opportunity to learn about wildlife photography and capture the beauty of nature in its pristine form.

Objectives:

- To introduce students to the fundamentals of wildlife photography.
- To provide practical experience in photographing various wildlife species.
- To develop an appreciation for nature and the importance of conservation.

Participants:

The camp was open to students enrolled in the Department of Media Studies. A total of [Number] students participated in the programme.

Activities:

The camp included a variety of activities, including:

- Lectures on wildlife photography techniques by experienced photographers.
- Practical sessions on camera settings, composition, and lighting.
- Field trips to different locations within the sanctuary to photograph various wildlife species.
- Photo editing workshops.
- Interactive discussions and presentations by students on their captured photographs.

Outcomes:

The photography nature camp was a successful learning experience for the participating students. They gained valuable knowledge and skills in wildlife photography and developed an appreciation for the natural world. The camp also fostered a sense of camaraderie and teamwork among the participants.

Conclusion:

The photography nature camp to Chimmini Wildlife Sanctuary was a valuable learning experience for the students involved. The program provided them with an opportunity to develop their photography

skills, learn about wildlife, and appreciate the importance of conservation. The Department of Media Studies plans to continue organizing similar programs in the future to provide students with enriching learning experiences outside the classroom.

Recommendations:

- Organize similar nature photography camps to different ecological locations in the future.
- Invite professional wildlife photographers to conduct workshops and share their expertise.
- Organize photo exhibitions to showcase the work of students participating in the camp.

The Innovative Star Making Competition, jointly organized by the ED Club, IEDC, and IIC of St. Thomas College (Autonomous), Thrissur, took place on December 11, 2023, at Gandhi Smrithi from 1:00 pm to 3:00 pm. The event witnessed enthusiastic participation from 14 teams comprising 27 students. Aparna Prakash and Liyana Antony, both from the 4th semester M.Com program, served as the student coordinators, showcasing exceptional leadership and organizational skills. They were supported by around 15 dedicated members from the ED Club who volunteered under their guidance, ensuring the smooth conduct of the competition.

The competition aimed to foster creativity, innovation, and teamwork among the students. Each team was tasked with creating a unique star model within the given time frame. The models were judged on criteria such as creativity, innovation, presentation, and teamwork by a panel of judges consisting of faculty members and industry experts. Dr. Binu Varghese, Dr. Sindhu George, and Dr. Jilna John, as faculty coordinators, provided valuable guidance and oversight throughout the event.

The Innovative Star Making Competition not only provided a platform for students to showcase their talents but also promoted a culture of innovation and entrepreneurship within the college community. Such initiatives play a crucial role in nurturing the skills and mindset necessary for success in today's dynamic and competitive world.

The prize distribution was conducted by esteemed dignitaries, Executive Manager Fr. Biju Panengaden and Principal Rev. Dr. Martin K A. Their presence added a sense of prestige and encouragement to the ceremony. Fr. Biju Panengaden, as the Executive Manager, brought his insightful leadership to the event, inspiring the students with his words of wisdom and support for their endeavors. Rev. Dr. Martin K A, the Principal of the college, graced the occasion with his presence and motivated the participants to continue exploring their talents and pushing the boundaries of innovation.

During the ceremony, the winners of the competition were felicitated and awarded by Fr. Biju Panengaden and Rev. Dr. Martin K A. Safna P V and Jisana PV from the 5th semester BBA program, who secured the first prize, were commended for their exceptional creativity and teamwork. The second prize, shared by Binta Saji John and Adithya Babu from the 6th semester B.Sc. Mathematics program, and Angel El and Avani KB from the 2nd semester B.Com Banking program, was also acknowledged for their innovative contributions.

The winners received certificates of achievement and prizes as tokens of recognition for their outstanding performance. The presence and encouragement of Fr. Biju Panengaden and Rev. Dr. Martin K A added immense value to the event, reinforcing the college's commitment to fostering a culture of innovation and excellence among its students.

The Entrepreneurship Development Club of St. Thomas College (Autonomous), Thrissur, in collaboration with the Institutions Innovation Council and Innovation and Entrepreneurship Development Centre, organized an Innovative Nano Crib Competition as part of the Christmas celebrations. The competition took place at Gandhi Smrithi on December 11, 2023. The primary

objective of the competition was to foster team spirit among students while enhancing their innovative skills by creating cribs within specified measurements and with an eco-friendly approach, emphasizing zero plastic usage. Students were encouraged to visualize creative ideas, resulting in the creation of adorable and environmentally sustainable cribs.

The event was meticulously organized under the guidance of faculty coordinators Dr. Gini Paul, Dr. Sindhu George, and Dr. Jilna John. Alwin P S from the 2nd semester BSc Botany program clinched the first prize for his outstanding crib design. The second prize was shared by Ms. Angel Joju from the 2nd semester BSc Physics program, along with Mr. Sooraj U S and Jerome K Joju from the 2nd semester B.Com Banking program. The competition, which spanned from 1:00 pm to 3:00 pm at Gandhi Smrithi, witnessed the active participation of 19 teams comprising 35 students, each showcasing their creativity and commitment to eco-friendly practices.

Nandhana PR, as the student coordinator, played a pivotal role in ensuring the smooth organization of the competition. She received active support from around 15 ED Club members, who contributed to the efficient conduct of the event. The highlight of the competition was the students' ability to craft eco-friendly nano cribs, demonstrating their dedication to sustainability and innovative thinking. Overall, the competition successfully achieved its objective of nurturing teamwork, enhancing innovative skills, and promoting eco-conscious practices among the student community.

Date: 01-02-2024

Department of Media Studies organized a A Workshop on Art direction in cinema “Artography”(01-02-2024) at 10AM to 3PM in Kaviprathiba Hall

Resource Perso : Mr. Santhosh Raman (Art Director)

The Objective(s) of the Programme:

The objective of the program Charcoal Drawing is to teach students the fundamentals of charcoal drawing, including:

- The different types of Properties and how to use them
- The principles of Art Direction
- The techniques of composition and perspective
- The practice of observation and rendering

Description of Programme:

The Department of Media Studies organized a Workshop on Art direction in cinema “Artography”(01-02-2024) at 10AM to 3PM in Kaviprathiba Hall. The workshop was inaugurated by Dr.Fr. Anil George K, Vice Principal of the F. Followed by a welcome speech by Mr. Sasi Kumar, Asst.Professor, Department of Media Studies. Dr.Fr. Finosh also gave his valuable feedback. The main speaker for the Masterclass was Santhosh Raman, a renowned Art Director. he shared her insights on Production design in films. He also conducted a workshop with his recent works where participants will learn the basics of Production Design and how to use it to tell stories. The workshop was concluded with a vote of thanks by Joseph Jacob, HOD of the Department of Media Studies.

Number of Participants: 97

Outcomes:

- **Increased understanding of the Art Director role:** Participants gained a clear understanding of the art director's role in various creative industries, including their responsibilities for visual concept development, team leadership, and collaboration.

- **Enhanced knowledge of visual communication elements:** The workshop explored and discussed key visual communication elements such as color theory, composition, typography, and imagery. Participants gained practical knowledge on how to apply these elements effectively in their work.
- **Improved collaboration and communication skills:** Through interactive exercises and group discussions, participants practiced their communication and collaboration skills. This fostered teamwork and understanding between Art Directors and other team members involved in creative projects.
- **Developed strategies for visual identity creation:** The workshop provided participants with tools and strategies for developing a cohesive and impactful visual identity for projects. This included understanding target audience, brand guidelines, and effective mood board creation.

Feedback:

Overall, the workshop received positive feedback from participants. They found the content informative and engaging, and appreciated the opportunity to collaborate with peers from different backgrounds. Some suggestions for future workshops included:

- dedicating more time to specific visual communication elements;
- incorporating practical exercises related to specific industry applications;
- inviting guest speakers from the creative industry to share their experiences.
